Stellest®
Essilor®
#1 lens brand
recommended by eye care professionals worldwide*
Slow down myopia progression.
Essilor® Stellest® lenses slow down myopia progression by 67% on average†1
*Based on an average recommendation with quantitative research conducted in 8 countries (Brazil, Canada, China, France, India, Italy, UK, and the US) among a representative sample of 1560 Eye Care Professionals: 1047 opticians, 513 optometrists, between January and June 2022. These 8 countries represent: 63% of total world in lens volume.
†compared to single vision lenses, when worn 12 hours per day every day for two consecutive years.
